PARENTS: Please do not schedule vacations to begin before June 22, 2009, or any time during the school year without permission in advance by the building principal. Please remember that it may be necessary to schedule make-up days. Notification of make-up days will be made by March 1. These requests are made in the event the school calendar must be extended due to snow/emergency closings. Make-up days will be added on to the end of the school year (June).

STAFF: Please do not schedule any event that would necessitate your absence from school the week of June 22, 2009, in the event we would have to extend school due to snow/emergency closings. A decision will be made by March 1, if it becomes necessary to modify the calendar. Should it be necessary to extend the school year, or reschedule days, approval for requested leaves will not be granted.
